Dear Mr. Chris Keath,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Dear Deborah,

I am referring to the rate increase in the base rate plus the \$.02 per kilowatt hour increase.

I use my electricity frugally. I average about 1000 kilowatt hours a month. The \$.02 increase will add an additional \$20.00 to my bill. The increase in the base rate will be an additional amount.

I am being hurt by the increase. It is not a matter for me of cutting out the lattes. I can't afford them now. I wear thermals in my home all winter. People complain about how hot it is in my home in the summer.

Now I am being forced to cut something from my budget which does not include anything but necessities. I am facing the possibility that I can no longer afford my home where I have lived for over 24 years.

I wonder if the commissions think of people like me, especially considering the bonus paid to the CEO of Duke for the wonderful bottom line provided at the expense of the customers.

Sincerely,
 Chris

Hello,
My bill will increase about \$25 which is a 25% increase. Does that sound fair to you?
